HOLIDAYS AROUND THE GLOBE

September is Hispanic Heritage Month
Hispanic Heritage Month. Started in 1968, Hispanic Heritage Month starts annually on September 15. That’s the anniversary of independence of five Latin American countries: Costa Rica, El Salvador, Guatemala, Honduras and Nicaragua. The term Hispanic or Latino refers to South or Central American, Puerto Rican, or other Spanish cultures or origins, regardless of race.

“Labels, like Spanish or Hispanic or Latin, come and go, but identity is something totally separate. What matters is who I am.”
Sara Ines Calderon

National Holidays
September 11th marks Patriots Day in the United States, the anniversary of the terrorist attacks on the World Trade Center in New York City and the Pentagon, and the downing of United Airlines Flight 93.

In both the People’s Republic of China and Taiwan (the Republic of China) Confucius will be honored. His death is celebrated in China on September 9th, and in Taiwan on September 28th.

The Japanese will close most public offices and other businesses the week of September 21st for Respect for the Aged Day.

African American Events
African Americans will celebrate on September 4 the birthdays of Lewis Latimer, the first inventor to patent the electric light bulb, as well as Richard Wright, author of Native Son. The great jazz singer Bessie Smith was born on September 25.

Christian and Jewish New Years
While the New Year occurs for the world on January 1st, a number of religions recognize the New Year in September. Jewish individuals will usher in the New Year at sunset on September 13th, beginning the Days of Awe and ending with Yom Kippur, which begins at sunset on September 22nd.

Coptic and Ethiopian Orthodox Christians celebrate the New Year on September 12th.
