	March 10, 2018	60.00	29.60				

Track employee's hours worked along with leave, standby, and call back hours.

User Tips

Save your view

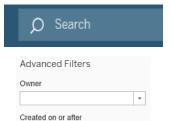

Workbooks open in the original view, but once you filter to your preferred view, click the view button and then save it, make it your default, or even make it public and share it

Find your workbook

Look for the Search box at the top to search by title, tag, creator, or keyword.

Or look for the advanced search icon on the right side of the project boxes.
