UVA Bicycle Map and Guide

This map provides bicycle friendly routes and bicycle infrastructure around Grounds. Painted bicycle lanes are noted with red lines alongside the blue recommended routes. Sharrows are noted in yellow. The green routes highlight roads and paths that provide a quieter alternative, but note that some of these routes are shared with pedestrians. The orange caution zones identify congested intersections and road segments; use extra care in these areas. University regulations require that you walk your bike in the green dismount areas.
