Calmness Corner

IT'S OKAY TO:

@avamarietdoodles

CHANGE
YOUR MIND

FORGIVE
YOURSELF

ASK FOR WHAT
YOU NEED

ADMIT WHEN
YOU'RE WRONG

NOT HAVE
ALL THE
ANSWERS

DISAGREE WITH
SOMEONE

Learning and growth happen where problems can be addressed, apologies can be made, and accountability is practiced. It's okay to admit when we're wrong and say that we've changed our minds about certain topics.

We are all doing our best!

APPRENTICESHIP

IN-HOUSE INSTRUCTORS BEGIN NCCER TRAINING

All classroom training will be done in house for the 2021 incoming class of apprentices. This is a part of the new 2+2 Program model future apprentice classes will be using. Classes will be taught by UVA FM employees based on [National Center for Construction Education & Research \(NCCER\) curriculum](#) for the skilled trades.

UVA FM has received accreditation from NCCER and the first round of instructor training and orientation was on July 28, 2021. The next class for instructors will be on August 4, 2021.

Thank you to everyone who is taking part and supporting the future of skilled trades.

HIRING UPDATE

Second round interviews have concluded and final decisions have been made for the incoming class of apprentices. The Apprenticeship team is now waiting to hear back from those offered a position within the class.

Apprentices will begin onboarding on August 30 with 7 days of orientation and training. This will help them as they join their first rotation prepared for FM's systems and technologies.

We look forward to welcoming our next class!

OCCUPATIONAL HEALTH & SAFETY

TRAINING: OCCUPATIONAL HEALTH & SAFETY

UVA FM-OHS is continuing to train FM employees and others in person as needed.

- To request a training for your group, email FM-OHS@virginia.edu
- At in-person classes, it is the expectation that all employees who are not fully vaccinated (2 weeks after their final shot) will wear a face cover and will practice physical distancing to prevent the possibility of spreading illness.
- Employees must follow [UVA Facilities Management COVID-19 On-Grounds Work Guidelines](#) at all times: <https://at.virginia.edu/CDfsqO>
- If you are unable to make your assigned training date and time OR your work duties no longer require the assigned training, please reply to the calendar invite and OHS will have you rescheduled for a future class or removed from the training subject.

*Thank you for your willingness and understanding as we all adjust to the new normal.
These guidelines will be updated as needed.*

OCCUPATIONAL HEALTH & SAFETY (CONTINUED)

Bernie says!

Know the Importance of a Clean Construction Site

Construction sites aren't always synonymous with cleanliness with work happening and dust flying. However, in order to be a safe, a construction site should be well organized and free of trash and debris.

Good workplace housekeeping reduces injuries and accidents, improves morale, reduces fire potential and can even make operations more efficient.

- **Know who is on site and when:** Be aware and keep your employees and visitors safe.
- **Keep tools organized and stored** appropriately when not in use.
- **Place waste and recycling in the proper receptacles.**
- **Be sure paints, chemicals, and solvents are properly labeled** to prevent mix ups.
- **Know where your first aid kit is and keep it up to date.**
Email FM-OHS@virginia.edu if you need first aid supplies.
- **Keep walkways clear** of debris and supplies. Be sure that power cords and cables do not cause trip hazards.
- **Mark holes and other trip hazards** so no one steps into them accidentally.
- **Report hazards** you cannot immediately correct either to your supervisor or via the [FM Near Miss Report](#).
- **Know your exits.** Review the emergency plan with all groups on site. Have it posted so that it's easily accessible.
- **Be sure wet floors are marked.**

Email FM-OHS@virginia.edu if you have any questions.

OCCUPATIONAL HEALTH & SAFETY (CONTINUED)

DOWNLOAD GUARDIAN, THE UVA SAFETY APP

This week UVA announced a new mobile safety app called Guardian (<https://safetyandsecurity.virginia.edu/mobile-safety-app>), available to all UVA students, faculty, and staff. UVA will not support the LiveSafe app after July 30, 2021.

Students, faculty, and staff can use Guardian to:

- immediately locate and contact safety resources
- click on UVA's online reporting system, Just Report It: <https://justreportit.virginia.edu/>
- text concerns and tips to UVA Police, even anonymously
- receive urgent notifications based on their geographic location
- invite friends to join a virtual walk, and more

Members of the public can stay engaged with safety at UVA:

- Receive UVA Text Alerts. Anyone who wishes to [receive official UVA Alerts](#) via text may now opt in by texting "UVA" to 226787. This free service is available to anyone, anywhere.
- Submit Tips to UVA Police. [TipSubmit](#) is available to anyone who wants to send secure and anonymous tips to our police department. Tips can be sent either [via the web](#) or SMS texts. Send your text to 274637 (crimes). In the message type "UVATIPS" followed by the tip or information.
- Follow Twitter accounts for [UVA Police](#) and the Department of [Emergency Management](#).

UVA's Mobile Safety App* Guardian

- Access Safety Resources all in one place
- Text your concerns to UVA Police, even anonymously
- Request a Virtual Escort for you and your friends
- Receive Targeted Alerts based on your location

*Available to all UVA students, staff, and faculty

 UNIVERSITY of VIRGINIA

DIVERSITY, EQUITY & INCLUSION

Add and Display Your Personal Pronouns in Workday

Select and Display Your Pronouns in Workday to better foster a University community where the asking, sharing, and respecting of a person's chosen personal pronouns is common practice, all Workday users may now select and display their preferred pronouns through the "Change my Personal Information" task in Workday. After making their selection, users can opt whether to display their selection publicly or not.

For step-by-step instructions in selecting and displaying pronouns in your Workday profile, please see the Change Personal Information job aid: <https://at.virginia.edu/ZzSrMq>

For additional information about how this list of pronouns was selected, or about UVA's efforts to promote the asking, sharing, and respecting of a person's chosen pronouns, please see the Office for Equal Opportunity and Civil Rights Pronouns website: <https://eocr.virginia.edu/pronouns>

Changes to Academic Division Education Benefits

UVAHR is excited to announce changes to the Education Benefit program as of July 1, 2021 for Academic Division employees:

- Academic employees can now use up to \$5,250 for tuition toward a degree-seeking program
- Professional Development benefits criteria (which includes classes, certification training, or conferences), may be job-related, career growth-related, or a developmental opportunity
- Job Aids to walk you through the request in Workday
- Helpful prompts in Workday to upload documentation to substantiate your request
- Assistance for departments when offering bulk courses to benefits-eligible employees

More information and frequently asked questions can be viewed by visiting the Education Benefits webpage: <https://hr.virginia.edu/career-development/education-benefits-1>

For questions, please email AskHR@virginia.edu with subject line, "Ed Benefits."

Meet the Ed Benefits team at the upcoming Benefits Fair in October.

The UVA HR Website can now be translated!

Mentors Needed: Volunteer Opportunity for Former Military Members

Albemarle County Public Schools (ACPS) is looking for former military members to be mentors to JROTC cadets at our county high schools for the 2021-22 school year.

Our goal with this program is to provide adult mentors to student-cadets in order to develop character, citizenship, and leadership attributes and skills. Each student registered for JROTC will be assigned a mentor from the local community. Each adult mentor will be a volunteer with prior or active military experience and will be selected by JROTC instructors for their ability and willingness to effectively serve as a mentor.

Mentors will provide a friendly and experienced resource to students, assisting with character development, problem solving, and post-high school goals. Each mentor will commit to meeting with their assigned student once in the first month of the school year and providing contact information to the mentee in order to be a resource to the student. Following this initial interaction, mentors will commit to meeting with mentees at least once a semester. All interactions will be held at the school or in a public space, generally during school hours, and JROTC instructors will assist with facilitating meetings.

When possible, mentors will be paired with mentees according to shared interests. For instance, a student interested in the United States Navy officer corps will be paired with a mentor who has experience in that field, if possible.

All mentors will be provided an orientation on the goals and guidelines of this program prior to meeting with students. This will ensure that all mentors understand program expectations and provide background information that will help guide initial discussions with students.

Prior to serving as a mentor, volunteers will comply with the ACPS volunteer requirements and guidelines found on our [Volunteer & Partnership web page](#) and commit to upholding the Cavalier Battalion values of respect, integrity, selfless service, dedication, courage, and teamwork.

To volunteer for the program, please contact Lieutenant Colonel (Retired) Christopher Wingate directly at cwingate@k12albemarle.org.

DIVERSITY, EQUITY & INCLUSION (CONTINUED)

Use your Volunteer Hours at the Habitat Store

Business is booming at the Charlottesville Habitat Store this summer and we can use all the help we can get! Our biggest needs right now are on the truck, behind the register and answering the phones, mostly from 10-5 Tuesday through Saturday.

- **Volunteering on the truck** means going around with our driver all through our community to pick up donations and it requires an ability to lift heavy objects and care for our donations.
- **Helping out behind the register** is a great opportunity if you like interacting with our customers and staff. It takes a little bit of training but you get to meet and help all kinds of people! Shopping days are from Wednesday through Saturday.
- **Answering phones** is a great help for us and takes only a little bit of training. As our Store's main customer service representative, you sort out the calls that come in and try to help them with the various questions that come in. The more you do it, the more you get to know!

If any of these volunteer opportunities speak to you, or if you have any questions, please do not hesitate to contact us! We also still have volunteer shifts open for our sales floor, workshop, warehouse and donations processing.

Contact Rick Hazenkamp, Store Volunteer Coordinator, at (434) 293-6331, or storevolunteer@cvillehabitat.org to learn more.

Learn more about the Charlottesville Habitat Store: <https://cvillehabitatstore.org/>

Team of FM employees will update department's mission statement

A diverse team of 11 Facilities Management employees is working to develop a new mission statement for the department.

Staff members have expressed a desire to update the existing mission statement in recent years through the Cultural Values survey and the Inclusive Excellence survey. The surveys also indicated that employees would appreciate more opportunities to be involved in the overall Facilities Management business.

The team is working to develop a mission statement that will, “represent why we are in business — our role and purpose — and how and for whom we conduct our business,” according to an email from AVP/CFO Donald Sundgren sent to all Facilities Management employees.

“We want a mission statement that encourages our people to think about how their work extends beyond their team while also engaging our customers in what we do,” Sundgren wrote.

The team will share updates in the coming weeks in the weekly Occupational Programs newsletter as well as on the Facilities Management website. Staff members are encouraged to reach out to any of the team members below to ask questions and follow updates.

See who is on the team:

<https://www.fm.virginia.edu/employees/employeenews/2021/mission-statement-update.html>

OCCUPATIONAL TRAINING

Enter Your Certifications Into Workday

Are you certified? Have you recently received a certificate from a training course? Be sure they are entered in Workday!

Human Resources manages most required certifications and licenses. Employees can upload nonrequired certificates or certification required by the department.

Here's how:

1. From the [Workday home page](#), click on the employee photo icon or the generic profile avatar if no photo is present.
2. Click on **View Profile** under your name.
3. Click the **Career** menu item in the left, blue bar. You may need to click "More" at the bottom.
4. Click the **Certifications** sub-tab at the top, middle of the screen.
5. Click the **Add** button.

See the full Job Aid here: <https://at.virginia.edu/rkhawm>

HOW TO: View or Apply for UVA FM Job Postings

Current UVA Employees

Search for and apply to jobs using your existing [Workday account](#):

See UVA HR's [How to Apply: for Internal Candidates](#): <https://at.virginia.edu/jgLuzS>

External Applicants

(not currently employed by UVA) will be prompted to create a profile in Workday when applying:

<https://uva.wd1.myworkdayjobs.com/UVAJobs>

Not all listings are available to external applicants.

Questions on job listings should be directed to AskHR@virginia.edu

Current FM Job Openings

Opportunities within UVA FM as of July 27, 2021:

- R0026558 Senior Trades Utility Worker
- R0026856 Senior Welder for Utility Systems
- R0025028 HVAC Senior Assistant
- R0026772 Senior Plumber Steamfitter
- R0026814 Senior Plumber
- R0026550 Mason—CC&R
- R0026554 Drywall/Plasterer—CC&R
- R0026545 Sheet Metal Technician
- R0026377 Custodial Services Worker, Day and Night Shift
- R0025387 Carpenter - Construction & Renovation Services
- R0027483 HVAC Mechanic
- R0026402 Electrician

- R0023447 HVAC Shift Mechanic, Central Grounds Zone
- R0025247 Environmental Remediation Tech
- R0025075 Assistant Director for Engineering and HS Renovations
- R0025051 Electrician Senior, Health System Physical Plant
- R0025004 Carpenter
- R0024632 BAS Project Coordinator
- R0024403 Electrical Engineer
- R0024368 Computer Help Desk Tech (Student Wage)
- R0022628 Assistant Director for Regulatory Compliance
- R0022674 HVAC Mechanic
- R0022572 Trades Utility Senior Worker, Shift
- R0022573 Trades Utility Senior Worker
- R0000028 Temporary Trades Pool

COVID-19 RESOURCES

NEW CDC RECOMMENDATIONS

Due to the increasing spread of the Delta variant of COVID-19, the CDC has released updated face cover guidelines for fully vaccinated individuals as of July 27. The Virginia Department of Health is currently reviewing these guidelines and will be issuing their own guidance in the coming weeks.

See the Interim Public Health Recommendations for Fully Vaccinated People from the CDC:

<https://www.cdc.gov/coronavirus/2019-ncov/vaccines/fully-vaccinated-guidance.html>

Key updates include:

- Updated information for fully vaccinated people given new evidence on the B.1.617.2 (Delta) variant.
- Fully vaccinated people should wear a face cover in public indoor settings in areas of substantial or high transmission.
- Fully vaccinated people might choose to wear a face cover regardless of the level of transmission, particularly if they or someone in their household are immunocompromised or at increased risk for severe disease.
- Fully vaccinated people who have a known exposure to someone with suspected or confirmed COVID-19 to be tested 3-5 days after exposure, and to wear a face cover in public indoor settings for 14 days or until they receive a negative test result.
- CDC recommends universal indoor face covering for all teachers, staff, students, and visitors to schools, regardless of vaccination status.

LOCAL COMMUNITY TRANSMISSION LEVELS

“Community Transmission” is defined as spread of an illness for which the source of infection is unknown, or simply encountered in the local community, like grocery shopping or at the movie theater. The Delta variant of COVID-19 is especially contagious, making it a likely suspect for the recent increase in community transmission in Virginia. The United States has made tremendous progress in the fight against COVID-19. As of July 29, 57% of the U.S. population had received at least one dose of a COVID-19 vaccine. On June 23, 2021, the United States surpassed 600,000 total deaths from COVID-19. Continue to practice all COVID-19 protocols and wear face covers when needed.

KEY:

High Substantial Moderate Low

Current 7-days is Tue Jul 20 2021 - Mon Jul 26 2021 for case rate; Mon Jul 19 2021 - Sun Jul 25 2021 for percent positivity. The percent change in counties at each level of transmission is the absolute change compared to the previous 7-day period.

	County/Locality	Community Transmission Rate
1	Albemarle/C'ville	Moderate
2	Greene	High
3	Madison	Substantial
4	Orange	High
5	Louisa	Substantial
6	Fluvanna	Moderate
7	Buckingham	Substantial
8	Nelson	Low
9	Amherst	High
10	Augusta	Moderate
11	Rockingham	Moderate

Source: <https://covid.cdc.gov/covid-data-tracker/#county-view>

FACE COVERS: STILL WORTH IT

Face covering requirements at UVA FM, per [Policy SEC-045](#) and [FM's On-Grounds Work Guidelines](#):

- **Unvaccinated** students, faculty, staff, contractors, and visitors must wear face covers in **shared common spaces indoors**.
- **Unvaccinated** students, faculty, staff, contractors, and visitors **must wear a face cover outdoors** even when they can maintain physical distance of at least six feet.
- **Everyone** must wear a face cover when:
 - In FM vehicles with a passenger
 - In [UVA Health facilities](#)
 - At saliva testing facilities
 - Engaged with K-12 students
 - Using public transportation (UTS, other buses, taxis, rideshares, etc.)
 - In the **Shoe Truck**
- Consider wearing a face cover during activities with others who are not fully vaccinated.

When to Wear

FACE COVERS

at UVA FM

LOCATION at UVA – <i>Non-UVA locations may have different requirements</i>	UNVACCINATED (or have not completed all vaccine doses)	FULLY VACCINATED (2+ weeks since the final dose)
OUTDOORS	 YES required by UVA Policy SEC-045	 NO
Indoors, alone in your own office with a door, not a cubicle.	 NO	 NO

When your coworker asks you to	 YES practice kindness	 YES practice kindness

Thank you for practicing kindness & understanding, as well as for protecting your coworkers during this “new normal.”

UVA Facilities Management Occupational Programs | 434.297.6379 | FM-OHS@virginia.edu

COVID-19 RESOURCES

PREVALENCE TESTING FOR UVA FM EMPLOYEES

UVA will begin to require prevalence testing in August for employees who have not been vaccinated in order to prevent the asymptomatic spread of the virus that causes COVID-19. Some FM departments are already requiring this. *If you have already had COVID-19, you are exempt from testing for **150 days** after you have recovered.*

If you have illness or symptoms: Stay home, inform your supervisor, and call Employee Health for testing and/or guidance at 434-924-2013.

If you are not experiencing symptoms:

- **Let's Get Checked at-home kit:**

<https://www.letsgetchecked.com/us/en/order-form/verification/>

- **Saliva testing at the Student Activities Building, by appointment ONLY:**

- **Make an appointment:** <https://time2test.sites.virginia.edu/>
(log in with Netbadge.)

- **See sites & hours:** <https://besafe.virginia.edu/testing-sites-and-hours>

If you think you have been exposed, but aren't having symptoms, reach out to Employee Health for testing and/or guidance at 434-924-2013.

SUBMIT YOUR VACCINATION INFO VIA WORKDAY

If you did not receive your COVID-19 vaccine via UVA Health, you should submit your vaccination information via Workday. **Proof of Vaccination Procedure:**

- **Look in Workday to see if you have an announcement** (on the upper left side) regarding proof of vaccination. *If you did not receive an announcement that means your vaccine data was automatically populated in Workday because you received your vaccine from UVA Health. No action is needed on your part.*
- If you did receive a notification, follow the directions to document your proof of vaccination.

If you don't have a notification AND you didn't get your vaccine through UVA,
email askHR@virginia.edu for next steps.

ACCESSING/REPLACING YOUR COVID-19 VACCINATION RECORD

If you have misplaced your vaccination card, you can request a copy of your record. If you received your vaccine through:

- **Virginia Department of Health** or through a local Virginia health district: Go to <https://vaccinate.virginia.gov> and scroll down to click "Need a Copy of Your Vaccination Record?". Enter your information and submit your request.
- **UVA Health:** <https://forms.uvahealth.com/vaxcard/>
- **A local pharmacy or your primary care physician:** Contact the practice for your vaccine record. *Most providers participate with Virginia Immunization Information System (VIIS), so records will eventually be available at <https://www.vdh.virginia.gov/immunization/immunization-record-request-form/>*

IT'S EASIER THAN EVER TO GET YOUR COVID-19 VACCINE!

Make your plan today.

Schedule your free vaccine using any of the resources below:

- [Vaccines.gov](https://www.vaccines.gov)
- Blue Ridge Health District:
<https://at.virginia.edu/MU5RI9>
- UVA Health: <https://at.virginia.edu/C0og39>

OR

Plan to visit a walk-in clinic: <https://at.virginia.edu/JhDgmD>

Remember to use your PHEL for any time away from work.

Learn more about the available vaccines in the US >>

Need Help?

Call 877-829-4682

to help you find available vaccination clinics near you, answer questions about vaccination and other COVID-19 topics, and more.

Open Monday-Friday
from 8 a.m. to 6 p.m.

Learn more about variants of COVID-19: <https://at.virginia.edu/xl3NZP>

SHOULD I BE CONCERNED ABOUT THE DELTA VARIANT?

New data show Delta is different than past versions of the virus: it is much more contagious.

- Vaccinated people can get breakthrough infections of Delta variant and may be contagious.
- Vaccinated individuals represent a very small amount of total transmission.

cdc.gov/coronavirus

DO I NEED TO WEAR A MASK?

In areas of substantial or high transmission, everyone should wear a mask in public indoor settings to help prevent the spread of Delta variant and protect others.

cdc.gov/coronavirus

ARE VACCINES EFFECTIVE?

Yes! Getting vaccinated prevents severe illness, hospitalization, and death; it also helps reduce the spread of the virus in communities.

With the Delta variant, vaccination is more urgent than ever.

Protected from	Vaccinated	Unvaccinated
Severe Symptoms	✓	✗
Hospitalization	✓	✗
Death	✓	✗

cdc.gov/coronavirus

WHAT SHOULD COMMUNITIES DO?

Community leaders should encourage vaccination and masking to prevent further outbreaks, especially in areas of substantial or high transmission.

cdc.gov/coronavirus
