## APPRENTICESHIP Recap: Clubfest, September 25

On September 25, UVA FM DEI and Apprenticeship representatives attended the Boys and Girls Clubs of Central Virginia's Clubfest—a family outing featuring the UVA Marching Band and other local resources. Increased community outreach has been identified as a key part to connecting with our community.

Special thanks to Tom Castellanos, Apprenticeship Instructor and Emily Douglas, DEI Specialist for attending on behalf of UVA FM.

If you are interested in volunteering for a community outreach event or to be an apprenticeship instructor, email <u>FM-Apprenticeship@virginia.edu</u>

## The Occupational Programs Weekly Wrap Up | 09.30.2022 | Page 3 OCCUPATIONAL HEALTH & SAFETY RECAP: SLIP SIMULATOR TRAINING

On September 22, FM hosted the first in a planned **series of Slip Simulator trainings** that combine new technology with coaching to effectively **reduce slips**, **trips and falls on the same level**.

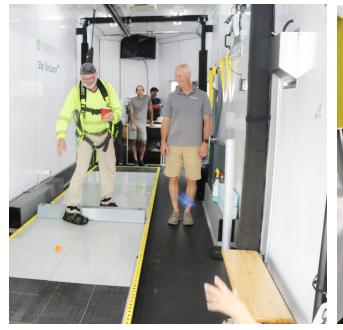

The training places individuals on a **safe**, **controlled training simulator** (*photos below*) that allows them to experience what it feels like to walk on a surface more slippery than ice. They then learn techniques to improve stability and reduce their risk of falling.

See published research on the efficacy of this training: <u>https://www.inbiodyn.com/slip-simulator/</u>

The FM Landscape and Recycling departments were the first groups to experience this training. Not only did employees learn proper slippery surface walking techniques firsthand, they had a lot of fun along the way, which is always helpful when remembering.

The team did a fantastic job of being engaged, curious, and attentive. Attendance was almost 100%, with only 9 employees not present due to scheduled time off or shift work.

#### Thank you to all who took part & made this a valuable training event!

## The Occupational Programs Weekly Wrap Up | 09.30.2022 | Page 4 OCCUPATIONAL HEALTH & SAFETY MENTAL HEALTH: UNDERSTANDING GAD

Do you often find yourself worrying about everyday issues for no obvious reason? Are you always excessively worried about things such as health, money, family, or work? If so, you may have a type of anxiety disorder called generalized anxiety disorder (GAD). People living with GAD experience frequent anxiety for months, if not years. The U.S. Preventative Services Task Force is now advising physicians to screen for anxiety for all adults under the age of 65.

What are the signs and symptoms of generalized anxiety disorder? People with GAD may:

- $\rightarrow$  Worry excessively about everyday things
- ightarrow Have trouble controlling their worries or feelings of nervousness
- ightarrow Know that they worry much more than they should
- ightarrow Feel restless and have trouble relaxing
- ightarrow Have a hard time concentrating
- $\rightarrow$  Startle easily
- ightarrow Have trouble falling asleep or staying asleep
- ightarrow Tire easily or feel tired all the time
- $\rightarrow\,$  Have headaches, muscle aches, stomachaches, or unexplained pains
- ightarrow Have a hard time swallowing
- $\rightarrow$  Tremble or twitch
- $\rightarrow$  Feel irritable or "on edge"
- $\rightarrow$  Sweat a lot, feel lightheaded, or feel out of breath
- ightarrow Have to go to the bathroom frequently

If you are experiencing chronic symptoms, please consult a medial professional, like your doctor or <u>UVA FEAP</u> for an assessment and recommendations..

<u>Healthy Habits</u> that can make a significant difference when paired with the tools your doctor may prescribe like medication or therapy:

- Reduce caffeine intake
- Get enough sleep each night
- Exercise regularly
- Practice mindfulness
- Reduce alcohol consumption

Each month, UVA FM recognizes a Safety Champion that contributes to the FM Culture of Safety. Any UVA FM employee can be an FM Safety Champion, from entry-level to management. Although all of our Safety Champions have contributed something different to UVA FM or UVA as a whole, **Safety Champions in general lead by example, speak up for safety and start conversations about safety, and are willing to learn and promote new ideas to keep themselves and their colleagues safe.** 

Safety Stars also contribute to the culture of safety, but in smaller ways that may not affect the whole organization.

## OCCUPATIONAL HEALTH & SAFETY SEASONAL FLEET SAFETY REMINDERS

Keep Your Work Vehicle in Top Shape to Remain Safe

#### Use your Headlights & Strobes

- → Daylight hours are getting shorter and staying visible is important.
- → Strobe lights should always be on while driving Kubotas and other motorized utility vehicles (MUVs).

#### Take Inventory-Do you have:

- → A First Aid Kit? Is it up to date? Contact the FM Materials Warehouse to refill/refresh.
- → A <u>Fire Extinguisher</u>? Does it have a recent inspection? Contact the Fire & Life Safety team to update the inspection.
- $\rightarrow$  An <u>Ice Scraper</u>? Drop by the FM Fleet office to pick one up.
- → Functional windshield wip-→ Low Tire Pressure light on?
   Contact your supervisor and bring the vehicle to the fleet office to have your tire pressure checked. Tire pressure can decrease about 1 PSI (pounds per square inch) for every 10° the temperature drops.
- → <u>Slow Crank</u> on startup? Contact your supervisor and the fleet office to have the battery checked.

#### Idling/Warm Up Reminders: Virginia prohibits public service and commercial vehicles from idling

for more than 3 minutes while parked in commercial or residential urban areas. Exceptions include when the vehicle's propulsion engine is providing auxiliary power for purposes other than heating and air conditioning. Additionally, VA puts a 10-minute cap on idling for diesel-powered vehicles that revert to idling to reduce issues with restarting. For further details, refer to Virginia Administrative Code (Title 9, Agency 5, Chapter 40, Section 5670 C). Kubotas require a warm-up procedure different than that of other vehicles — Kubota UTV Warm Up Recommendations:

- Above 32°F, a warm-up time of up to 5 minutes may be required.
- Between 14° and 32°F, a warm-up time of up to 10 minutes may be required.
- Below 14°F, a warm-up period of up to 15 minutes may be required.

#### HOOS MAKING AN IMPACT COMPETITION

#### NOW ACCEPTING SUBMISSIONS

UVA staff have the opportunity to make a significant impact at UVA through a new annual competition, "Hoos Making an Impact," by submitting innovative ideas that will help streamline or improve a process at UVA. This year's theme is sustainability. The competition is hosted by the Staff Senate in partnership with the President's Office to cultivate staff success across UVA Grounds in alignment with the University's 2030 Strategic Plan.

#### Why participate?

Besides making an important contribution to advancing sustainability at UVA, the winner(s) of the competition will

- → Receive \$1,000 (if a team wins, the winnings will be divided equally between the team members) and have their ideas implemented at UVA;
- → Have lunch with UVA leadership, including President Ryan, Chief Operating Officer J.J. Davis, Provost Ian Baucom, Vice President of Diversity Equity, Inclusion and Community Partnerships Kevin McDonald, Staff Senate Co-Chairs: Adam Griggs and Patrick Wood, and Unit Leader(s) of the winner(s)
- ightarrow Be featured in UVA Today

#### Ideas and proposals can be submitted now through October 7th.

- $\rightarrow$  During the competition enrollment period, staff can submit as many ideas as they would like.
- → Any individual, team, or members of any department/school may submit an idea to be considered by the screening panel.

## WELLNESS RESOURCES COVID-19 Reporting Updates

Facilities Management employees working within UVA Health facilities (required to comply with UVA Health's policy OCH-002) must report their positive COVID-19 test results to Employee Health at 434-924-2013 or employeehealth@virginia.edu. This requirement no longer applies to employees working strictly within UVA Academic facilities.

**Updated COVID-19 Boosters** are now available that offer stronger protections against severe illness and death from Omicron sub-variants. **Make your appointment**: <u>https://vaccinate.virginia.gov/</u>

## FM FLU VACCINE CLINIC

October 25, 7:00 to 11:00 AM

FM Alderman Lunchroom

#### Walk-ins only. No appointments.

Flu vaccines are offered at no charge to FM employees at this event. Two types of vaccines will be available: Flulaval and Flublok (recommended for people over 50). If you went to a participating pharmacy and were charged for your flu vaccine, you can submit a <u>reimbursement to Aetna</u>. Complete steps 1-25 in the reimbursement form, and attach your receipt and other supporting documentation.

Employees and spouses enrolled in the UVA Health Plan or UPG Anthem Plan can earn \$25 for receiving a flu vaccine. Complete the selfattest section in the <u>Hoos Well portal</u> in January 2023 to receive your reward.

#### Monkeypox Update

- $\rightarrow$  As of 9/28/2022, there have been <u>481 cases</u> of monkeypox in Virginia, 21 hospitalizations, & 0 deaths.
- → Anyone can potentially get and spread monkeypox, but the risk to the general public is considered low at this time. Prevention tips: <u>https://www.vdh.virginia.gov/monkeypox/</u> <u>prevention/</u>
- → Vaccines are available for those exposed or at risk. Fill out the statewide interest form from the Virginia Department of Health: <u>https://at.virginia.edu/JqOnGO</u>

#### **National Preparedness Month**

National Preparedness Month is observed each September to raise awareness around the importance of preparing for disasters and emergencies that could happen at any time. We encourage everyone to take some time to prepare themselves, their families, their homes, and ultimately our community.

- → Have a Plan: <a href="https://www.ready.gov/plan">https://www.ready.gov/plan</a>
