

Employee Hazard Exposure Questionnaire

Directions for Supervisors: Place an "X" in the corresponding Employee Hazard Exposure (yellow column) for the listed hazards that your employee is exposed to, even if exposure is not routine (Use the Established Hazard Exposure by General Trades as a reference). List any trades license/certifications that your employee has, and if it is required for their duties. **Complete a separate form for each member of your team**, including yourself, and return to OHS.

Employee Name	Computing ID	Job Title																							
Organization #	Shop #	Supervisor	Established Hazard Exposure by General Trades (for reference only)																						
Description of Potential Hazard			Employee Hazard Exposure	Carpenter	Plumber	Electrician	HVAC	Asbestos	Administrative	Mason/Plasterer	Housekeeping	Landscape Worker	Recycling Worker	Elevator	Painter	Welder	Roofer/Roof Inspector	Trades Utility Worker	Cabinet Shop Worker	Arborist	Housing Maintenance Worker	Heat Plant Worker	Chiller Plant Worker	E&U Outside Plumber/Steamfitter	E&U Outside High Voltage Electrician
			1. Operate or perform work from aerial work platforms (scissor lifts, boom lifts, cherry pickers, bucket trucks, etc.), or manage/supervise anyone conducting such work [Aerial Lift]		X	X	X	X	X		X		X				X	X	X			X		X	X
2. Perform work in areas that potentially contain asbestos (not including asbestos abatement), or manage/supervise anyone conducting such work [Asbestos Awareness]		X	X		X	X		X	X						X	X		X			X	X	X		
3. Perform work that exposes them to blood or other potentially infectious materials (including bodily fluids), or manage/supervise anyone conducting such work [Bloodborne Pathogens-BBP]			X							X		X								X			X		
4. Operate powered industrial trucks (Bobcat/Skidsteer with attachments-snow plow, scoop, brush, etc.) [Bobcat/Skidsteer]											X	X										X	X	X	
5. Operate chainsaws (telescopic/traditional, gas/electric), or manage/supervise anyone conducting such work [Chainsaw Safety]											X									X					
6. Perform work in confined spaces (including man-holes, steam tunnels, crawl spaces, excavations deeper than 4'), or manage/supervise anyone conducting such work [Confined Space Entry]			X	X	X									X		X		X				X	X	X	X
7. Operate a crane [Crane Safety/CDL]																								X	
8. Perform work in or around excavations or other earth moving equipment activities, or manage/supervise anyone conducting such work [Damage Prevention-GES]			X	X							X						X		X					X	X
9. Perform work on high-voltage electrical components (testing and troubleshooting electrical systems), perform work that exposes them to electrical hazards, or manage/supervise anyone conducting such work [Electrical Safety]				X	X									X			X								X
10. Perform inspections of excavations for safe use determination (soil conditions, protective systems, air quality, standing water) [Excavation Competent Person]		X												X			X							X	

11. Perform work from elevated surfaces with an unprotected edge > 4' above the lower level (including roofs), or manage/supervise anyone conducting such work [Fall Protection Authorized Person]		X	X	X	X	X		X				X	X		X	X		X		X	X	X	X
12. Direct the demonstration of fall hazards (including inspection and safe use determinations) [Fall Protection Competent Person]		X		X				X				X								X	X		
13. Perform work that requires the use of a fire extinguisher (hole watch, fire watch), or manage/supervise anyone conducting such work [Fire Extinguisher]													X										
14. Perform monthly and annual inspection of fire extinguishers [Fire Extinguisher Inspection]								X															
15. Potentially administer CPR or provide first aid in secluded areas, or manage/supervise anyone conducting such work [First Aid/CPR/AED]				X	X																		X
16. Operate powered industrial trucks (fork lifts, fork trucks, etc.) [Forklift Operator]									X	X										X	X	X	
17. Perform work with or around loud equipment/activities for a majority of their shift, or manage/supervise anyone conducting such work [Hearing Conservation]		X							X	X						X	X			X	X		
18. Perform work on crane-based activities (including rigging material and equipment), or manage/supervise anyone conducting such work [Hoist & Rigging]													X		X		X			X	X	X	
19. Perform work involving climbing into trees for arboricultural maintenance [ISA Arborist Certification]																	X						
20. Perform construction on materials that contain lead-based paint, or other lead containing material, or manage/supervise anyone conducting such work [Lead in Construction]		X	X		X	X							X	X			X						
21. Perform work on equipment that requires energy isolation for maintenance (powering down, blocking, etc.), or manage/supervise anyone conducting such work [Lockout/Tagout-LOTO]			X	X	X							X			X					X	X	X	X
22. Optional outreach program that teaches recognition, avoidance, abatement, and prevention of health and safety hazards in the workplace [OSHA 10 Construction]		X	X	X	X	X		X	X	X	X	X	X	X	X	X	X	X	X	X	X	X	X
23. Optional outreach program that teaches recognition, avoidance, abatement, and prevention of health and safety hazards in the workplace [OSHA 10 General Industry]		X	X	X	X	X		X	X	X	X	X	X	X	X	X	X	X	X	X	X	X	X
24. Optional outreach program that is a comprehensive safety program specifically devised for superintendents, supervisors, and field managers [OSHA 30 Construction]		X	X	X	X	X		X	X	X	X	X	X	X	X	X	X	X	X	X	X	X	X
25. Optional outreach program that is a comprehensive safety program specifically devised for superintendents, supervisors, and field managers [OSHA 30 General Industry]		X	X	X	X	X		X	X	X	X	X	X	X	X	X	X	X	X	X	X	X	X
26. Perform work that requires the use of a respirator, other than a dust mask, or manage/supervise anyone conducting such work [Respiratory Protection]		X	X			X		X				X	X			X				X	X		
27. Perform work from scaffolds, or manage/supervise anyone conducting such work [Scaffold User]		X	X	X	X	X		X				X	X	X						X	X		
28. Direct the construction of scaffolds (including inspection and safe use determinations) [Scaffold Competent Person-Assembler]								X															
29. Perform traffic control on public roads, including flagging [Work Zone Traffic Control Basic/8-Hour]									X													X	X

30. Direct and plan traffic control on public roads, including flagging [Work Zone Traffic Control Intermediate/16-Hour – by request]										X													X	X
31. Does not perform any of the hazards listed, and performs strictly administrative duties from an office setting [New Employee Safety Training-NEST-Admin]					X																			
32.																								
33. List any additional hazards that your employee is exposed to that are not listed above:	34. List any licenses/certifications that are required for your employee’s position, and if they currently hold them:
