Signs made simple.

Need to communicate quickly?

Choose from these pre-designed COVID-19 signs communicating messages about social distancing, hygiene and more, or let us assist you in creating a custom design or protection guard that meets your requirements.

We'll deliver and install your new signs and guards as needed. All our signs meet University of Virginia standards.

Thanks for choosing the UVA FM Sign Shop.

Acrylic protection guards create a physical barrier in close quarters.

The FM Sign Shop can produce standing protection guards, pictured below, as well as a hanging version.

**MATERIALS:**
- Free-standing protection guards are made from ¼ inch thick acrylic. Clear and opaque acrylic are available. We have material in stock and ready to produce to fit your space.

**COST:**
- The average cost for free-standing guards usually runs between $50–$100, depending on sizing.

**MEASUREMENTS:**
- The Sign Shop can meet you on-site to take measurements of your area, or you can send measurements with your order. The average shield size runs from 24” by 24” to 36” tall by 48”.

**ORDERING:**
- Please contact Warren Wood at the Sign Shop to place your order: (434) 243-4259.

**HOW TO USE:**
- Click here for UVA guidelines on the use of protection guards.
